

Role Title: Qualified Cabinet Maker

Employment Type: Full time or Part time

Salary: \$60,000 - \$75,000 plus Super

Location: Adelaide Metro, Southern Suburbs

WHY THIS IS THE BEST 'JOB' YOU'LL EVER HAVE

- **Work-Life Balance:** Enjoy flexible work hours and a work environment that understands the importance of balance. We want you to thrive both on and off site.
- **Career Growth:** We are committed to your professional development. Whether it's mastering new techniques or moving up to leadership roles, your growth is our priority.
- **Impact:** Be part of a company that's transforming houses and lives for both our clients and team members. Your work will leave a lasting impact and bring joy to countless families and you'll be doing it in a supportive, tight-knit team that values collaboration, respect, and continuous learning. You'll work alongside skilled tradespeople who share your passion for excellence.

ABOUT THIS OPPORTUNITY

We're seeking a passionate and skilled cabinet maker to join our dynamic team. In this role, you'll be at the heart of our business, crafting custom cabinetry that transforms spaces and delights clients. Your work will directly contribute to the high standards of quality and excellence that our company is known for.

The ideal candidate is detail-oriented, creative, and thrives in a collaborative environment. If you're looking for a role where your expertise is valued and your contributions make a real impact, this is the opportunity for you. Join us and take your career to the next level!

RESPONSIBILITIES

Responsibilities include but are not limited to:

- **Custom Cabinet Construction:** Build and assemble cabinetry from start to finish, ensuring high standards of quality and precision.
- **Installation:** Install cabinets and related fixtures at client sites, ensuring alignment, fit, and finish.
- **Plan and Design Interpretation:** Read and interpret plans, technical drawings, and design plans to bring concepts to life.

- **Quality Control:** Inspect completed work to ensure it meets company standards and client expectations.
- **Maintenance of Tools and Equipment:** Regularly maintain and care for tools and machinery to ensure optimal performance.
- **Client Consultation:** Occasionally meet with clients to discuss design preferences and provide expert advice.
- **Team Collaboration:** Work closely with other team members to ensure project timelines are met and goals are achieved.
- **Inventory Management:** Monitor material usage and notify when stock needs replenishing.
- **Training and Mentoring:** Support and mentor junior staff and apprentices, sharing knowledge and expertise.
